

Sod Turning Ceremony At Mt. View Bible College

A very significant ceremony was performed on the college grounds on Monday afternoon when the president of the Association Student Body, under the instruction of President Taylor of the college turned the sod in anticipation of the structure which will be built on the grounds. This structure is the new "Student Centre," which is being sponsored by both the present student body and the Alumni Association of the college.

The students themselves have pledged \$1700, and the Alumni Association has further raised \$300 for the building. Each year students take a project and this year will be the largest undertaking they have yet sponsored.

During the ceremony, Rev. Arthur Eby, maintenance-superintendent, opened the meeting held on the site of the building, with prayer. President Taylor, Arnold Dietz, Rev. H. A. Traub, district superintendent, and Rev. W. D. Annett, pastor of the church here and chairman of the board of directors, each spoke concerning the undertaking and the desired effect on each of their individual work.

A large number of people attended, among them some 90 Alumni members who had just finished their annual meeting and taken on themselves some of the responsibility. Funds from other sources are available also, and this building will be cared for with no solicitation in the churches or communities. Private individuals have also made large contributions and will continue to do so. Much of the material is already on the grounds, and the building will be erected with all speed.

McNaughtons Celebrate Anniversary

(From Our Own Correspondent)

Approximately 100 friends and relatives met at Rugby hall on Saturday evening, April 19, to show their esteem for Mr. and Mrs. Roy McNaughton, and to help them celebrate their 25th wedding anniversary, which fell on Tuesday, April 22nd.

Among those present were their daughter, Viola, of Wetaskiwin, and their son Gordon and his wife Laura, of Lacombe, and Mrs. McNaughton's parents, Mr. and Mrs. Robert Gardner of Eagle Hill. Unfortunately their son Donnie, who is attending university in Edmonton, was unable to be present.

The honored couple entered the hall to the strains of Lohengrin's Wedding March and were greeted in song by Mrs. Beatie Hoegwood. A program by local artists was then presented, with Mr. Harvey Hoegwood acting as MC. The program consisted of an accordion solo by Donnie Befus, a song by Jack Robertson, a skit by Mrs. Tressie Krebs and Mrs. Frances Chandler, entitled "An Episode in the Life of the McNaughtons," a song by Alice Robertson, a song by Keith, Dale and Gale Krebs, a selection by the Krebs orchestra and an accordion solo by

Mr. and Mrs. Irvyn Klein were Monday hosts to the Didsbury No. 1 Scout Troop. The lads enjoyed a fine turkey supper, with all the trimmings; at last report there were not too many absent members at this meeting (sounds like it was too good to miss!)

Bob Bankier, Scoutmaster, and Neil McKay, his assistant, managed to get in on their share of the turkey and the extras that were on hand.

The Scout leaders and the four patrol leaders would like to take this opportunity which allowed them to have a very hearty and tasteful meal before their regular meeting.

Mr. and Mrs. Don Devolin, Mr. and Mrs. Raymond Miller and Leonard, attended the hockey game in Calgary Saturday night.

Miss Nellie Sullivan and Mr. Jack Freeman visited Saturday evening at the home of Mr. and Mrs. Doug Gooding.

Mr. and Mrs. Charles Snyder and family visited with Mr. and Mrs. Eddie Snyder and family at Crossfield on Sunday.

Following the concert Annie and Roy were invited to the platform where they were presented with a gift of money from their friends. They both expressed their appreciation in moving words.

After this grace was sung and a bounteous lunch was served, with the happy couple and their relatives seated at the head table, which was covered with a three tiered wedding cake baked and beautifully decorated by Viola and Mrs. Olive Vipond.

WESTERDALE NEWS

(From Our Own Correspondent)

Thirteen members and three visitors attended the Willing Workers meeting held at the home of Mrs. Sam Jackson last Tuesday afternoon.

Roll call was answered with "something new on the market." It was decided that a "country fair" will be held in August, and that the Zella group be contacted with regard to combining the two fairs, and hold it in the Westerdale hall.

Entry lists are to be made up in the near future.

Mildred Reist conducted a "name the place" contest, which was won by Mrs. D. Herbert. Mrs. J. E. Bolton was winner of the locket prize.

Sunday dinner visitors at the home of Mr. and Mrs. J. E. Bolton included their son Lyle and Mrs. B. Bolton, and children, and Mrs. Janet Kearney of Oids.

Mr. Lyle Bolton was honored at a birthday celebration held at the hall on Saturday last, when about 30 friends and relatives were present to extend birthday greetings on the honored guest's 21st birthday.

Mr. Bill Wigley spent the weekend at the home of Mr. and Mrs. P. J. Jackson on Monday and left on Monday to visit in Hattiesford with his father.

Bible College Closes For Season

(From Our Own Correspondent)

The closing service of the graduation exercises of Mountain View Bible College was held Monday evening in the United Missionary Church. President Taylor was in charge of the service. Rev. Willard Taylor, president of Canadian Nazareth College, was the guest speaker for the occasion, bringing a most challenging message entitled "Accepted Emblems of Christ." During the service several special songs were sung.

After the message Mr. Waldin and Mrs. Marie Kasey, dean of the college, presented the special awards to students who qualified for them. The Harold Oke Service Award, which included scholarship, contributions of various kinds to the school in extra-curricular activities, promoting interest in the college, was presented first to Arnold Dietz and second to Ormond Sherick. Cudyk Wise, 52, last seen riding a bicycle into Russia in 1939 after escaping from the Warsaw ghetto in which his two sisters, wife and two children were exterminated by the Nazis, is shown with his second wife and daughter in Toronto. For nearly two decades Wise travelled through Russia as a singing troubadour. Repatriated last year, he placed an ad in a paper circulated in Paris. A cousin saw it and notified Louis Wise, of Toronto, his brother. With the help of the Canadian government, the Toronto man succeeded in getting the family admitted to Canada.

W.S.W.S Hold Convention Here

The twelfth annual convention of the Northwest Canada Branch, Women's Society of World Service was held in the Zion E.U.B. Church, Didsbury, on April 15-17th. The quadrennial theme of our W.S.W.S. has been "For Christ and His Church". The theme for 1958-59 is "Glorifying in the Church of Christ". The convention hymn is "The Church's One Foundation".

Guest speakers for the convention were Miss Joan Kellerman, a missionary from Japan, and Miss Lois Miller from Dayton, Ohio. The convention was officially opened on Tuesday evening by our Branch President, Mrs. S.R. Sherman from Warner, Alberta. Some of the highlights were: The Communion Service on Tuesday night, a Memorial Service was held for W.S.W.S. members who passed to their eternal reward this past year. A banquet was held in honor of our youth. After an inspiring program at the sacrificial luncheon, a missionary offering was received.

During the past year over \$13000 was raised for missions and several hundred parcels sent to missionaries.

Convention was closed with an installation and consecration service for the following slate of officers:

President—Mrs. S. R. Sherman, Warner, Alberta.
Vice-Pres.—Mrs. D. Shierman, Vulcan, Alta.
Secretary—Mrs. A.G. Knopp, Edmonton, Alta.

Treasurer—Mrs. A. J. Grams, Three Hills, Alta.
Secy. of C.S.R.—Mrs. N. Kramptz, Yorkton, Sask.

Secy. of Spiritual Life—Mrs. F.W. Snyder, Calgary, Alta.

Secy. of Miss. Ed.—Mrs. L.V. Myers, Rosyth, Sask.

Secy. of Ed. for Youth—Mrs. J.D. Elhard, Regina, Sask.

Secy. of Ed. for Children—Mrs. A. Stern, Medicine Hat, Alta.

Secy. of Christian Service Guild—Mrs. P.A. Wildeman, Vulcan, Alta.

Delegates to the convention came from Winnipeg, Regina, Yorkton, Medicine Hat, Warner, Vulcan, Calgary, Hanna, New Sarepta, Edmonton, Torrington and Three Hills.

Dairy Club Very Active

April 9th the Didsbury-Carstairs Dairy Club went on a tour of the Burns Packing Plant, after which they were treated to a lovely dinner in their dining hall. During the afternoon the Palace Bakery was visited and we enjoyed seeing how our bread is made. The Bakery served a lovely lunch and three cakes were given to the lucky ticket holders, they being Glenn Fisher, Didsbury; Judy Shaw, and H. Rasmussen of Carstairs.

The home economist, Miss Mary Smart, explained all about the different machines used in bread making. We then visited CFCN and saw how they receive the news and get it ready for broadcasting. We met Don Thomas, Frank Brand and others. A very happy but tired group arrived home around 6 p.m.

Friday, April 11th at 8 p.m. there was a 4-H rally at Olds School of Agriculture, on "Farm safety". Mr. Fulcher, District Agriculturist and Mr. Bob Armstrong, leader of Olds Dairy Club were in charge. Mr. Bill Perkins, Farm Safety Council Director for Alberta, showed a film on tractor safety. Mr. Rogers, Dean

Just For The Record . . .

We'll give you a new addition on our previous remarks concerning last year's oil dividend "gift" from the provincial government (the word "gift" is in this case used very loosely). We would like to mention that our guess a few months back was not too far wrong—there were some 'stinkers' in the crowd—at last count it was around 275 who had over-stepped the limit of their allotment—one fellow used his pen, a few aliases, and a change of stamping grounds, to end up with no less than 49 free rides on the dividend merry-go-round. Right now he's paying for his loose hand in one of our provincial jails—we've all paid handsomely to get him in there—we'll pay handsomely to keep him there for his term of confinement; the only thing we can hope for now in this case?—you guessed it, we hope our money was not mis-spent.

Just A Reminder . . .

We're closing the book on that little game we've been playing to find out just who has lived the longest with The Pioneer at their fire-side. We already have some very interesting replies to our question—we hope a few more will turn up in the mail before the end of the month.

We're Blushing—But Just A Bit . . .

Last week we let loose regarding the gremlins that crawl into our columns and get away before we catch them—they snuck in on us again last week but in one case we understand it was just a case of the type lice testing the powers of the would-be proof readers. There have been a few that have informed us that our date line was a little off base; they had it figured out that it definitely was not "April 17, 1958." That's one line of thinking we have to go along with, but counting a couple of other 'bulls' which we noticed too late for correction, we wonder maybe we would have been better off living in the year 1598. The blood-letting in those times couldn't be any worse than the modern treatment.

"The best thing to do behind a person's back is to pat it. The idea is not to pat too low."

WISHFUL THINKING AND GETTING ON THE KILL

The public is wondering if the news despatch coming out of Edmonton this week about Premier Manning wanting to resign from the leadership of his Social Credit party is wishful thinking or based on fact.

On the other hand, the newly vitalized Conservative party is making such moves as seem necessary to get in on the kill in the Alberta field so that it can take over when Social Credit topples. Without Manning, or some new blood of the calibre, Social Credit would surely topple if confronted by an election. The old cry would be heard: "They have been in office too long!"

Notes From D.A.

By Howard J. Fulscher

The value of forage crops in our farming program is well known. Seeded legumes and grasses provide good pasture and hay for livestock production. These forage crops also increase the fibre and fertility levels of the land.

Many times in establishing these crops the results are not as successful as could be expected. This is disappointing to the farmer both because of low levels of production and the cost of seeding. There are a number of factors which contribute to poor stands of forage crops.

Firstly you must secure good seed, which has a high level of germination. It is also important that the seed be cleaned as the crop cannot be sprayed without damaging the legumes. The legume seed should be properly inoculated with the correct dated inoculant.

Seeding methods are important. Firstly the seed bed should be firm. Loose soil will in many cases not give a satisfactory stand. The depth of seeding is important, although success in depth sometimes varies due to the season, general rule is to seed shallow. This is especially true in legume and small grass seeds; they do best when surface seeded. In the case of brome and fescue, satisfactory stands will result from seeding with the grain, but avoid seeding to deep. Do not mix inoculated legume

No. 2 Troop Holds Annual Easter Camp

When visitors' day was over, and the parents and friends were leaving, one father was heard to remark: "I still think my wife's cooking is better, but those Scouts come a close second." And that, of course, was a gratifying comment to the boys of the 2nd Didsbury Scout Troop.

For their annual spring camp the boys went again to the ranch of Mr. W. Davies. They made their camp in the spruce grove just off the bridge by the Little Red Deer River as it cuts across the Didsbury-Bergen road.

The latter part of the Easter holidays were chosen as camping time, from April 9th to 12th. The dates were fortunately chosen for the weather changed from being extremely unfavourable to almost ideal.

This was fortunate, especially for the four young Scouts who used this camp to cut their "camping teeth." With these Tenderfeet: David Arnett, Mervyn Snyder, Jeffrey Wiggins and Edward Stauffer, were older members of the Troop, Brian Shantz, Dennis Brado, Clarence Venstra, Gordon Reimer, Wayne Housa, and Ted Venstra.

The patrol leaders, Gordon Cable, Arnold Stauffer, and Lloyd Eby. The last mentioned patrol leader, led his patrol to the winning place in the four-day competition.

Three assistant Scoutmasters attended the camp, Wayne Shantz, Virgil Stauffer and Glen Eby. With 18 years of scouting experience between them they played a major part in making the camp a time of fun, friendship and experience for the younger boys.

The Troop would like to take this opportunity to thank Mr. Alfred Snyder and Mr. Lawrence Eby for the use of their trucks and also Mr. Bill Davies for allowing the Scouts to camp again on his land.

Seed with mercuris compound treated grain such as cereals and legumes as these compounds will kill the culture.

Considering the above factors and seeding the forage crops at recommended rates, reduced the rate of seeding the companion grain crop by one-third, successful stands will be released.

What truck buyers can learn from the big Fargo fleets...

Look behind the scenes and you'll soon discover why more and more haulers are making the swing to FARGO. When successful fleet operators such as Kleysen's Cartage Company, Limited, Winnipeg buy forty big Fargos at once, you know Fargo's got something special to offer!

Kleysen's Cartage typifies the truck fleets that find real day-after-day, year-after-year satisfaction with Fargo on the job. There are plenty of reasons for that satisfaction, too.

Take economy, for instance. New Fargo V-8's pack up to 234 horsepower, yet their unique combustion chamber design wrings bonus miles from every tankful of gas. And no other engine has the famous-for-thrift reputation of Fargo's efficient Six!

Ruggedness is another reason. Fargo rear axles in all models are heavy-duty engineered, specially treated for fatigue-resistance. Rear springs on high-tonnage D700's have been increased to 3 inches wide, are extra long and resilient for greater strength. Frames have double-width front crossmembers, and extra-deep centre and rear crossmembers.

Fargo's a better deal for the driver, too, with shorter turning diameters, smooth, super-responsive steering, an independent parking brake that adjusts from inside the cab.

So why not follow the lead of successful truck operators like Kleysen's Cartage Company, and check into '58 Fargo Power-Masters now? Come in right away—see how you're farther ahead when you haul the FARGO way!

You get more of the future with

Dear Friends:

"Make Dairy Foods Daily Foods"

April has been selected as the
month for the "Fluid Milk Festival"
and so here are some tips on the
use of dairy products.

You Never Outgrow

Your Need For Milk

Many grown-ups feel that milk

is just a child's food. According

to Canada's Food rules here is the

minimum amount of milk your

family should get each day:

Children (up to 12 years) at

least 1 pint

Adolescents, at least 1½ pints

Adults, at least ½ pint

For good health an adult needs

8 grams of calcium per day. 1

pint of milk gives nearly 7 grams

of calcium. Do you realize that in

order to get as much calcium as

from one pint of milk you would

have to eat: 17 lbs. sirloin steak, or

10 lbs. of lettuce, or 1½ cups mol-

asses, or 2 loaves of whole wheat

bread, or 29 eggs, or 7 lbs. of but-

ter, or 1 cup cheddar cheese, or 3

cups cottage cheese.

This week I would like to pass

along some recipes which may help

you incorporate milk or cheese into

your meals in various ways. Milk

can be used as a beverage, in soups,

saucers, casseroles and desserts.

Corn Chowder

3 ounces diced salt pork

3 tablespoons chopped onion

1½ cups diced potato

1 cup of water

¾ cup cream-style corn

¾ cups hot milk

½ teaspoon salt

Place the salt pork in a heated

fry pan and cook until crisp and

brown. Remove the crisp pieces of

pork and reserve for later use.

Lightly brown onion in pork fat.

Add onion and fat to potato and

water. Cook for 10 minutes. Add

corn and cook 10 minutes longer.

Stir the milk and salt into veg-

etable mixture. Add the crisp

pieces of pork and heat mixture be-

fore serving. Serves 6. Over ½

cup milk per serving.

Cheese is one of the best milk

substitutes. Try using cream cheese

and cottage cheese in this deli-

cious dessert:

Strawberry Cheese Cake

¾ cup graham cracker crumbs

3 tablespoons sugar

3 tablespoons melted butter

5 eggs

1 cup sugar

3 (4 oz.) pkgs. soft cream cheese

¾ pound cottage cheese

Grated rind of 1 lemon and juice

of ½ lemon

1. Combine crumbs, sugar and

butter. Press onto bottom of

spring-form pan.

2. Beat eggs well. Continue to

beat, slowly adding 1 cup sugar.

3. Add cottage and cream cheese

and beat until smooth. Stir in

lemon rind and juice. Turn bat-

ter into crumb-lined pan.

4. Bake in a moderate oven (350

degrees) about 45 minutes. Cool

and cover with strawberry topping.

Strawberry Topping

¾ cup sugar

4 teaspoons cornstarch

½ cup water

1½ cups halved strawberries

1. Mix sugar and cornstarch in

saucpan. Add water gradually,

stirring until smooth.

2. Cook over low heat, stirring

constantly, until mixture thickens

and becomes clear. Cool slightly.

3. Add strawberries; mix gently.

Spread over top of cooled cheese-

cake.

Note: If using frozen berries,

thaw and drain. Use syrup in place

of water and decrease sugar to 2

tablespoons.

More About Tree Planting: By
the time you read this letter many
of you will have received the trees
that you have ordered. Last week
I told you how to take care of them
until they are planted. I would
like to say a few words about pre-
paring the ground before planting
takes place.

It is advisable that you work the
ground quite thoroughly right away
with a tiller if you have one. Then
harrow or pack it so the ground is
level and quite firm. Our mechan-
ical tree planter works much bet-
ter on ground that has been made
quite firm. If you are planting
more than one row of trees, plan
to leave sufficient space between
the rows. If at all possible I would
suggest that at least 12 feet of
space be left between the rows.
14 feet might be better. The rea-
son for this space is so that you
will have ample room to cultivate
between the rows for a few years.

It may seem foolish to you now
when the trees are so small to leave
so much room but as these trees
grow they will branch out a great
deal and require most of that room
for "elbow room." Weeds must be
kept out of these tree lines which
means frequent cultivation or hoe-
ing, or both, for several years.

Don't make the mistake of think-
ing that your work is finished when
the trees have been planted, it is
actually just started.

The rate schedule set by the
A.S.B. for use of the tree planter
is as follows: Up to 500 trees,
\$5.00; 500 to 1,000, \$7.50; 1,000
to 3,000, \$10; 3,000 to 5,000, \$12.50;
5,000 to 7,500, \$15; 7,500 to 9,000,

A MOMENT WITH MONS

Mrs. Roy Kendrick, honorary
Regent of Mons Chapter, I.O.D.E.
was honored last Thursday evening
when she was presented with a life
membership for her 32 years of
service with the Order.

Among those present for the oc-
casion were Mrs. J. Huget of Olds,
and Mrs. B. L. Robinson of Edmon-
ton, both charter members, and
Mrs. P. R. Dawkins of Calgary.

Mrs. Huget presented Mrs. Ken-
drick with a bouquet of flowers and
gave an entertaining talk on the
early days of Mons Chapter. Mrs.
Jay Tuggle also kept members in-
terested with some revealing fea-
tures of the North West Territories.

Plums on the Commonwealth of
Nations were ordered for future
use. "Echoes" magazine, the offi-
cial organ of the I.O.D.E., highly
recommends two films, "Escapee
in Japan" and "The Bolshoi Ballet,"
which no doubt will be showing in
Calgary shortly.

CHRISTIAN SCIENCE

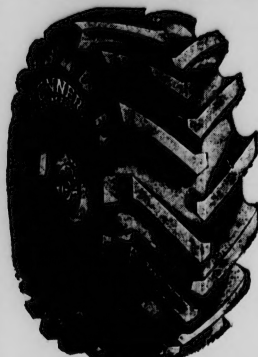

The vital importance of spiri-
tual growth will be emphasized at
Christian Science services Sunday.

Keynoting the Lesson - Sermon
entitled "Probation after Death" is
the Golden Text from Jeremiah
(17:7): "Blessed is the man that
trusteth in the Lord, and whose
hope the Lord is."

Selection to be read from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy
include the following (406:20-25):
"We can, and ultimately shall, so
rise to avail ourselves in every di-
rection if the supremacy of Truth
over error, Life over death, and
good over evil, and this growth will
go on until we arrive at the fulness
of God's idea, and no more fear
that we shall be sick and die."

From the Bible will be read the
following (Luke 20:38): "For he is
not a God of the dead, but of the
living; for all live unto Him."

LOCAL STUDENT WINS
HONORS AT VERMILION

Ken Stiles arrived home last week after graduating with honors from the Vermilion School of Agriculture. In addition to capturing the grand championship award at the "Little Royal", Ken stood first in his class in the final examinations.

He was awarded the gold class pin for general proficiency. This special award is made by the teaching staff to the student who has, in addition to having the highest academic standing, also contributed most to the extra-curricular activities of the school.

His prize for highest academic standing was a suit case, and the prize for showmanship was a show halter.

4-H Clubs On TV . . .

Shown above, left to right, are Gordon Platt, Janet Graham, Betty Wright, Jack Craig and Wayne Spicer, who appeared recently on the TV screen from Red Deer.

The 4-H Safety Panel who appeared at the Olds Agricultural School on April 11th, were asked by Mr. Tony Meyers of the Red Deer TV, who was present to appear on TV over their station on Saturday, April 12th, at 6:30. The show was presented and according to Mr. Meyers, was highly successful.

The panel, shown above, consisted of Chairman, Gordon Platt, of the Olds Dairy Club; Jack Craig of Bechtol Dairy Club; Implement Safety; Janet Graham, Olds Beef Club; Home Safety; Wayne Spicer, Carstairs Dairy Club; Livestock Safety; and Betty Wright, Olds Dairy Club, Highway Safety.

The panel were then shown over the TV station, which proved to be quite interesting, as so much of it is operated by remote control and entails hundreds of tubes on the control panel.

WHAT A COMMA CAN DO !!!

A minister who was reported to have said in his sermon, "I want to wear no clothes, to distinguish me from fellow Christians," readily complained that, although he had used those words, there was no comma in the sentence as he spoke it.

CANCER RESEARCH GOES ON

The most intensive medical research in history is going on for a drug that will cure cancer. Although no "wonder drug" has yet been found there are a number of chemicals that assist in the treatment of cancer.

M.V.B.C. NEWS

(From Our Own Correspondent)

The college year has come to a close. By the time that our readers pursue these notes the students will be scattered far and wide. Some will be in the States, some at Banff again where they will take up where they left off last fall.

Two students will be leaving the college never to return to its classrooms again as students. Mervin Traub and Arnold Dietz will have received their degrees. The Bachelor of Sacred Literature. Four winners of intensive study have made them eligible for this degree. Most of the remaining eight graduates will return to take the fourth year. They receive the Bible Diploma, which is granted after three years of study. Perhaps we should mention the names of the eight graduates in addition to those who received their degrees: they are, Mr. and Mrs. Gramma Sherrick, Mr. and Mrs. LaVerne Neufeld, Clifford Reimer, Doreen Wolfe, Alice Nelson and Louise Nagel.

The Bible Conference came to a close with the Sunday evening service. The attendance was good throughout, and Rev. Cheesmuir brought thought provoking messages that were most beneficial to all the listeners. His understanding of the Scriptures was scholarly and spiritual, and we were privileged as a college to have a man of his education and training to speak to us. He is director of the African Seminary in Jos, Nigeria when on the field. He will be speaking each morning during the summer camp meeting in July, and we who have heard him will surely anticipate his coming. Mrs. Cheesmuir is still nursing a broken finger which she sustained in their accident on the way here. They have been the guests of Rev. and Mrs. H. A. Traub during the conference.

The Baccalaureate service held Sunday afternoon was well attended. Rev. Cheesmuir brought a definite challenge to the graduates in his message based on Romans 12: 1-2. His manuscript will be mimeographed so that the students and English College and has been both pastor and missionary for a number of years.

Rev. and Mrs. Wayne Kagey, and family, and Mrs. Donald Kagey from Bellingham, Washington were guests of the college over the weekend. Wayne is a graduate of the college, and at present is a pastor of a United Missionary Church at Birk Bay, Washington where they reside. Mrs. Marie Kagey will be returning to her home with them.

Mrs. Wolfe, mother of Doreen and Elaine Wolfe of our student body, arrived quite unexpectedly from Kelowna, B. C. for her daughters graduation.

Mrs. M. A. Finlay has been a guest on the campus staying with her daughter, Mrs. Taylor, during the closing activities of the college year. Miss Iris Schmitt, returned missionary from India, has been staying with Mrs. Sidler. Many other guests have come for a meeting or two, or for one of the closing services, and we appreciate each one who has thus been interested.

CREMONA NEWS

(From Our Own Correspondent)

Mrs. Sara Schultz, who has been visiting in Edmonton and Calgary, arrived home last Friday.

Mrs. J. Ratray holidayed from Sunday April 13th until Thursday April 17th, with Mr. and Mrs. L. Randolph at Red Deer. Mr. and Mrs. L. Randolph were Cremona visitors last Thursday.

Jim Whitlow, to our knowledge, was the first farmer in this vicinity on the land this spring.

Leja Thompson, Pauline and Clifford Mork, and Garry Brown, appeared on the T.V. show "Jim and Jean's" last Saturday afternoon from Calgary. Could we be prejudiced around here but we thought they did the best living on the show.

Nancy Lee Thompson spent last weekend visiting at the home of Mr. and Mrs. E. Casbeer.

Mr. and Mrs. L. Bird and family were Sunday visitors at the home of Mr. and Mrs. M. McBain.

ANDREWS — SCHUMAKER

The Redeemer Lutheran Church, Didsbury, was the scene of a recent marriage which united Miss Gloria Schumaker, daughter of Mr. and Mrs. Peter Schumaker of Didsbury, and Mr. Donald Thompson Andrews, son of Mr. and Mrs. Phil Andrews of Didsbury, in holy matrimony. Rev. E. B. Fox officiated.

Escorted to the altar on the arm of her visiting father, the bride looked charming in a floor-length gown of nylon net over taffeta; the form of the gown was styled with a boat neckline and lily-point sleeves, the full skirt was appliqued in rose design, which motif was also carried out on the neckline. Her finger-ring set of French illusion net was trimmed with a lace headpiece trimmed with seed pearls. Her homespun bouquet was graced with red roses and rosebuds. Mrs. E. B. Fox played the wedding music.

Mrs. Here Gold, matron of honor, and Mrs. Raymond Schumaker, the bridesmaid, wore cocktail length gowns of blue and shrimp nylon net over taffeta, with matching head-pieces and elbow length gloves, and carried carnations entwined with white satin ribbon.

The groom was supported by his brother-in-law, Mr. Leo Ostger of Grand Prairie, and the bride's brother, Mr. Raymond Schumaker; Wayne Schumaker, nephew of the bride, acted as ring-bearer. Guests were ushered to their seats by Miss Beverly Thompson and Mrs. O. Reiffenstein, who wore floor length gowns in yellow and wore corsages of white carnations.

For the occasion the bride's mother chose a dress of navy and white, with white accessories. The groom's mother wore a two-piece dress of peacock blue, with navy accessories. The two mothers both wore corsages of pink carnations.

Following the ceremony a reception was held in the church basement for about 45 guests. Rev. Fox proposed the toast to the bride.

Following "open house" at the home of the bride's parents, the happy couple left for a honeymoon trip to western States and Vancouver.

For the trip the bride chose a black and white two-piece dress with red accessories and a corsage of red roses. On their return the newweds took up residence in Didsbury.

LIGHT YOUR WAY ...**... WITH BIBLE STUDY**

"How can we know that the Bible is the Word of God and truly shows us the Way to heaven?" There is only one way to find out. And that way is quite simple. This is the way. Study with an open mind and an open heart, and let the Holy Ghost work the conviction in your heart. Jesus says: "If any man will do His will he shall know the doctrine whether it be of God." This is the divine method of gaining the divine certainty of the divine origin of the Bible. Christians know the Bible is the Word of God, and therefore the Way to heaven.

Some years ago, on Bodley's Island in the harbor of New York, vessels from Europe unloaded pieces of metal of all sizes and all shapes, and when these were put together, men gazed upon and admired the Statue of Liberty. How come that the pieces fused? Back in France August Bartholdi had planned the statue and directed the fabrication of its smallest part.

Like unto this is the Bible. Many men wrote books of many sizes in many ages, but when put together, they form the world's beacon and torch-light.

In 1820, the French Academy announced that there were 80 geological theories against the Bible. Just think of it: Eighty scientific reasons why the Bible could not be true. But within forty years' time by 1860, all eighty reasons were exploded and it was demonstrated that man had erred. The Bible had not erred. It continued to stand and shine the wanders to heaven. This is God's Book for you.
